

Tournament Playing Opportunities for Wounded Warriors!

Have you ever wondered, how can our Tournament give back to wounded warriors who are using the game of golf as a form of mental and physical rehabilitation?

More than 2.5 million Americans have served in Iraq and Afghanistan since 2003; of these, countless have returned home with some form of injury. Salute Military Golf Association (SMGA), a 501(c)(3) nonprofit corporation, was formed in early 2007 in an effort to bring the game of golf to our nations post 9/11 wounded warriors.

Since 2007, the Salute Military Golf Association has brought the game of golf to thousands of wounded warriors as well as outfitted more than 800 with custom set clubs! The game of golf embodies strength, flexibility, endurance, balance and mental discipline. SMGA programs, clinics, and golf experiences build lasting friendships beyond the hospital and past the golf course. By addressing the unique needs of wounded warriors returning home from service, we assist these hero's as they reintegrate back to active duty or civilian society.

The goal of SMGA is to help break down the barriers of entry to the game of golf and to help our SMGA Warrior Golfers continue to play as often as possible with one another in their local community!

Would you consider donating or hosting as many wounded warriors in your Tournament as you can handle? Thank you very much for your consideration!
